For Joint Comfort & Health.

Blue Chip prides itself in being ahead of the game; the first to bring you revolutionary new products that are scientifically proven to bring real benefits to your horse. Joint RLF is the product of years of research and development, a new concept in joint care. Already an award winner in the BETA International Innovation Awards.

Joint RLF is the first product of its kind, combining the little-known power of rosehip (Rosa Canina) with glucosamine, hyaluronic acid, MSM, yucca and organic manganese. Recent scientific studies on both humans and racehorses have proven the joint-helping properties of the Rosa Canina species of rosehip.

Trials on 100 horses and ponies have had phenomenal results, with a 100% success rate. Joint RLF is manufactured to the highest pharmaceutical quality standards with human-grade, natural ingredients.
