I first found out about the Lifeline 4 Chernobyl Charity when a 'regular' of Forest Edge, Ann Jones, told me she had just passed her HGV test to allow her to take a lorry full of Humanitarian Aid to the people of Belarus.

Chernobyl was the site of a major nuclear disaster in April 1986, much of the land remains radioactive and still cannot be farmed. Cancer, cardiac problems & birth defects abound and this charity directly helps to improve & support the lives of these people.

After speaking to Ann at length I realised how important it is to support this charity as we can actually do something to help these poor people directly instead of just providing funds, half of which the needy never see.

Please, please support this show by :-

Competing – Forest Edge Arena will donate £3 from every entry to the charity [£2 from clear round]

Donating prizes – to encourage extra competitors and for raffle prizes.

Bring to Forest Edge any unwanted, clean bedding, clothes, curtains, household items, dvds, computer games, and toiletries. We will have a collection point here from Tues 14th-Sun 19th February to receive these. These items will either go directly to Belarus or be sold to raise additional funds for the trip.

Volunteer to help at the show, all officials at the show will be volunteering their time in aid of the charity.

Thank you very much
